SIERRA COMMUNICATIONS & CONSTRUCTION INC

A Native American Owned Construction

HUBZone MBE DBE UDBE CPUC/DOT

SCCI is a General Contractor that specializes in General Engineering, Facility Maintenance and Communications projects. We offer proper and efficient execution and management of construction contracts. We understand the critical nature of RFP/Delivery Order review, rapid proposal response and timely completion of projects. We maintain on-going relationships with valued subcontractors and exercise collaborative partnerships when executing projects. We enforce strict adherence to Safety and Quality requirements.

SCCI has demonstrated success on state and federal sector projects, along with commercial and industrial projects in the private sector. We strive to be the leader in providing value-added construction services to our customers by creating a successful partnership with them throughout the construction process. Our goal is to establish a lasting relationship with our customers by exceeding their expectations, upholding the highest standards of quality, and gaining their trust through unsurpassed performance by every member of our construction team.

Mission – To exceed the expectations of our customers by developing and implementing progressive strategies that increase our competitiveness and enhance the safety, opportunities and quality of work life for our employees.

CONTRACTOR'S PAST PERFORMANCE HISTORY

YOSE 154910B, TEMPORARY KITCHEN FACILITIES AT THE AHWAHNEE HOTEL -YOSEMITE NATIONAL PARK, YOSEMITE, CA

Contract Number: 140P2022R0087 | Agency: DOI - National Park Service

Performance Dates - 09/2022-05/2025

Installation of temporary water, sewer, electrical and propane utilities for temporary kitchens at the Ahwahnee Hotel in Yosemite National Park. Built corridor connection between the temporary kitchens and the hotel. Maintained Ahwahnee Temporary Kitchen Rental Contract. Supervised the installation and removal of the temporary kitchen trailers. All trailers, utilities and corridor were removed or demoed upon completion.

POC: Mr. Joel Holtrop | PH: 720-545-6204 | Email: joel_holtrop@nps.gov

BRIDAL VEIL CAMPGROUND RESTROOM REHABILITATION -

YOSEMITE NATIONAL PARK, YOSEMITE, CA

Contract Number: 140P8524C0013 | Agency: DOI - National Park Service

Performance Dates - 05/2025-09/2025

Enhanced facility restrooms by replacing the toilets, sinks (lavatories), and exterior cast iron sinks. Upgraded the water and sewer piping from the fixtures through the pipe alleys, to the water meters and underground sewer connections. In addition isolation

valves were added to each fixture. POC: Mr. Tim Modjeski | PH: 303-819-9916 | Email: tim_modjeski@nps.gov

2 SEPARATE CONTRACTS (SEE BELOW)- MARINE CORPS MNTN WARFARE TRAINING CTR, BRIDGEPORT, CA

Contract Number: N6247325C2715 | Agency: NAVFAC SOUTHWEST

Contract Number: N6247325C0017 | Agency: NAVFAC SOUTHWEST

Performance Dates - 06/2025-10/2025

First Contract: Road maintenance and restoration. Grind and patched pot holes, crack sealed, slurry sealed, and striped areas at Housing Area, Zone 3 and Zone 4.

Second Contract: Demolish Facility 5005 including all building utilities, concrete foundation, driveway and sidewalk. Removed all fencing and handrails. All debris removed from the site and the site was compacted and leveled. Additionally, at Facility 7042 removed mold and effected drywall in the restroom and restored the area to its original condition.

POC: Mr. Ernesto Pangan | PH: 760-830-7414 | Email: ernesto.t.pangan.civ@us.navy.mil

REPAIR THE GRAVEL SPILLWAY ROADS AT THE MARIPOSA DAM - MARIPOSA COUNTY, CA

Contract Number: W9123824P0021 | Agency: USACE SACRAMENTO DISTRICT

Performance Dates - 05/2024 - 07/2024

At the Mariposa Spillway, performed minor flood control repair of the gravel road across the spillway. Removed and replaced the existing road as well as replaced two culverts and added spot rock. At the downstream section of Owens Creek, stream restoration was required; reshaping the stream bed, while stabilizing banks with natural materials. Also replaced a culvert and placed spot rock where needed on Owens Creek.

POC: Carrie Richardson | PH: 559-289-2411 | Email: Carrie.Richardson@usace.army.mil

GATEWAY ENHANCEMENT ELEMENTS PROJECT - MARIPOSA, CA

Contract Number: 24001 | Agency: County of Mariposa - Public Works

Performance Dates - 06/2024 -09/2024

Provided traffic control and surveying for this project. Cleared, demolished and excavated the site to install the gateway monuments. Installed water service for future landscaping irrigation including back flow preventer and controller. Installed reinforce concrete footings. Fabricated, delivered, and installed 24 metal panels.

POC: Claudia Gonzales | PH: (209) 966-5356 | Email: cgonzales@mariposacounty.org

HILLS FERRY STAGING AREA IMPROVEMENTS - USDA FOREST SERVICE, NEWMAN, CA

Contract Number: 140R2024R0010 | Agency: Bureau of Reclamation

Performance Dates - 08/2024 -10/2024

Provided traffic control and surveying for this project. Demolished and removed approximately 610-foot of livestock corral and fencing. Cleared, excavated and graded site for building and fencing including dust abatement. Provided and installed one 36' X 36' preengineered metal building including rollup and walk through doors. Installed approximately 750 LF of security chain link fence around perimeter of all site improvements, including two 20 foot wide cantilevers slide gates.
